

What is a community sports volunteer?

Volunteers are the backbone of grassroots community sport. They give up their free time to facilitate, encourage & teach community spirit, share wisdom of our game, and make sports clubs possible. Without volunteers, community sports clubs simply cannot survive – every cent that comes into the club, goes back into the club to provide grounds, club rooms, equipment, uniforms, canteen facilities & administration. Every person that volunteers their time, helps to provide the local children & adults with a thriving community football destination.

Craigieburn City FC has no paid employees – Everyone is a Volunteer!
